Jefferson County Road 255 Bridge
(GDOT Bridge #081/00255/X/00059)

HAER No. GA-60

Location: Spanning Rocky Comfort Creek
Louisville, Jefferson County, Georgia

Date of Construction: Unknown

Present Owner: Jefferson County
Jefferson County Courthouse
Louisville, Georgia

Present Use: Vehicular bridge

Significance: Jefferson County Road 255 Bridge is composed of two steel rivet connected Warren pony trusses with verticals. It measures 470 feet in length and 11.6 feet in width and has a timber deck. This bridge is one of 71 Warren truss bridges recorded on the Georgia Historic Bridge Survey. It is one of 68 trusses identified as a Warren pony truss and one of 56 identified as a Warren pony truss with verticals. It is the only such bridge in Jefferson County.

Project Information: This documentation was undertaken in 1984, in accordance with a Memorandum of Agreement with the Federal Highway Administration, as a mitigative measure prior to demolition.
